Declaration: I/we will abide by the Bromley Canoe Club Code of Conduct, which may be seen on the Club website (www.bromleycanoeclub.org.uk). Canoeing is an assumed risk sport and while every care will be taken, the Club can in no way be liable for any loss, damage or injury I/we may sustain during a Club organised event.

Paddling sessions will normally include carrying boats, entering boats from the poolside/bankside and participating in paddlesport in a pool or open water environment. It is strongly recommended that you are able to swim at least 50 metres.

ALWAYS LISTEN TO THE COACH. THEIR DECISION IS FINAL

If a medical condition or disability exists that may jeopardise safe participation in Club activities, it must be stated on this form and repeated to the lead coach or river leaver prior to a session or trip. The club will make every effort to take this into account when the session takes place.

I/we understand that photographs may be taken during Club events and may be used for training or publicity. Just let us know if you want them taken down or if they should not be shared. We CANNOT be held responsible for others taking photos on club trips or if they post them on social media.

The Club uses the website, email, text and social media as a means of distributing news and information to members. Information held by the Club will be used only by the Club for Club purposes. We will never share your personal information with anyone else and will always ask you first if we need to (for example to British Canoeing). You can read our privacy notice at <https://www.bromleycanoeclub.org.uk/privacy/>
