	Transmission due to contamination of BCC club equipment Transmission whilst kayaking in the pool	Club members Club members	3	3		Boats and equipment will be retrieved from the store and placed on poolside as a unit of a boat, paddle and spraydeck 2 meters apart along each side of the pool Members will be encouraged to bring their own equipment and can meet the session manager at the pool's rear door to take it and remove it from the pool The only persons allowed to enter the store will be the session manager and the yellow t-shirt volunteer Boats and equipment must be rinsed in the pool before and after use by an individual Members will be informed by guidance that they		David Birkinshaw	2	3	
						must stay 2 metres apart from each other Members must be encouraged to stay 2 metres apart by the yellow t-shirt person The maximum numbers for adults will be 12 per session. The maximum numbers for youth (17 & under) will be 16. Under high and very high (Tier 2 and 3 restrictions) the adult sessions will not take place and those assisting at the pool (who will be adults) will social distance appropriately. This will be enforced by the session manager	-				
3	Individuals with health conditions (or have cohabitee with health conditions to whom they are likley to pas on the virus) which put them at higher risk		3	4	12	This will be down to the individual member and they should be aware of recommendations regarding vulnerable groups. Therefore members will be advised they take part at their own risk This will be reinforced through the booking process and by guidance issued by the club which will suggest it is not advisable to paddle if members would be expected to shield or minimise general contact under normal cirumstances		David Birkinshaw	2	4
