

Preamble – Club trips are costed to limit any surplus to between 10 % and 15% of the projected total cost, up to a maximum of £100.00 per trip. Accommodation cost is normally based upon 75% occupancy for an exclusive/sole rate booking or the Club attaining the minimum occupancy figure. In event of cancellation, refunds will be dependent upon one or more of the following considerations; -

Up to three days before the start date of the trip;

- The non-attendance was directly related to illness or injury.
- The booking has been re-allocated. Re-allocation of places will be made in the same order as any cancellation.
- The overall funding of the trip will not result in a significant loss to the Club.
- All such cancellations will be subject to a £5.00 forfeiture.

If less than three days' notice has been given;

- A cancellation made in respect of a change in personal circumstances, or a cancellation not covered by the above conditions, will incur a 20% forfeiture.

In the event of the non-acceptance of a refund, or the non-provision of a recipient's account details, the monies will be returned to Club funds as a donation.

The initial consideration for any refund will be by the Club's Chair and Treasurer after the event. Any appeal being the remit of the full committee.

Should the trip not break even, or refunds result in a loss to the Club, the amount of all refunds will be referred to the full committee for final sanction.
